

## What's it about?

### Looking to grow

This is the title of our conference for this year. We are hoping to excite everyone with vision and purpose to enable us to grow and to take this ministry into all the areas where God wants it to be. The format this year will be more interactive than previously culminating with prayer, prophecy & feedback. The business part of our weekend, our 2010 AGM will take place on Saturday morning.

Throughout the weekend we will hear speakers from **Victorious Ministries Through Christ**. They will share with

us some of their experiences and ways that may help us with the task that God has set before us. Primarily attracting others into our Ministry, whilst still reaching out into a broken world.

Bring your ideas  
and thoughts.

"These are the days of Ezekiel the dry bones becoming as flesh"  
Ezekiel 37:1-6.

There has never been a more exciting time to be a part of this ministry. Let us step up to the cross together and make a difference. We would consider it a real blessing for as many as possible to get

together, to pray, motivate and encourage each other as we enter a new phase in the life of this ministry.

## About Matlock

**Illuminating**

During the months of September and October Matlock becomes famous for its illuminations throughout the town. They also have boats covered in lights that paddle up and down the river. At certain times during the weekend there are fireworks and bands playing in the central bandstand. If you have the time it is well worth a visit on Saturday evening.
